SSE (Society for Scientific Exploration)
Millennium Harvest House
June 26-28, 2008

Dear Sir or Madam:

Boulder SuperShuttle will be the transportation provider for the SSE guests traveling from the Denver Int'l Airport to the Millennium Harvest House.

No reservations are needed from DIA to the hotel. Each guest will simply check in at the Boulder SuperShuttle Counter where you will present your voucher to receive your discounted group rate ticket to the hotel. You will then be directed to the next available shuttle.

Finding the Boulder SuperShuttle Counter: When you arrive at DIA, a train will take you from your concourse into the main terminal and baggage claim. After exiting the train, our counter can be found by making an immediate left when reaching the top of the escalator.

Boulder SuperShuttle departs DIA for Boulder every hour, at 10 minutes past the hour, from 6:00AM up to 12:30AM, with service on the half hour during the busy afternoon and evening hours. Please check with the Boulder SuperShuttle counter for the next departure. The shuttle is shared-ride and guests may have additional stops en route to their destination.

Returning to DIA - Travel time from Boulder to DIA is approximately 60-90 minutes. The airlines recommend you arrive at DIA at least 1 ½ hours before your flight time. **Reservations are required for your return trip from the hotel to DIA.** Please make 24-hour advance reservations with the concierge, or by calling (303) 227-0000.

Thank you for choosing Boulder SuperShuttle.
