

SOCIETY FOR SCIENTIFIC EXPLORATION

Society for Scientific Exploration

Annual North American Meeting | Boulder, Colorado | June 10 - 12, 2010

Announcement and Call for Papers

The Society for Scientific Exploration is pleased to announce a Call for Papers for its **29th Annual Meeting** to be held **June 10-12, 2010** in **Boulder, CO**. Contributors for all topics appropriate to SSE are invited to submit abstracts.

Abstracts are limited to one page in length, suitable for publication in a booklet for the meeting, and must be in either MS Word or PDF format. Text should be sufficiently large that it is legible upon reduction by 50%. Figures are encouraged. Indicate on a separate sheet your preference for talk, poster, or panel discussion (if appropriate). Please send abstracts to **Daniel Sheehan** at **dsheehan@sandiego.edu**.

Special themes for this meeting are advanced propulsion and energy concepts, and anomalous phenomena. **Deadline for submission of abstracts is March 21, 2010**. Notifications of acceptance will be made by April 15.

Program Chair
Professor Daniel Sheehan
